What Batteries Are Covered

Interstate Batteries® (IB) provides this limited warranty to (1) the original retail purchaser, (2) of the POWERSVOLT™ branded battery models listed in the Chart below, (3) when purchased from an authorized dealer of POWERSVOLT branded battery models (Authorized Dealers) in Canada.

Limited Warranty

IB warrants that your battery is free of defects in material and workmanship for the duration of the warranty periods listed for your battery model in the Chart below, except as modified or voided based on battery application or as otherwise disclaimed below the Chart. The Limited Warranty has a Free Replacement Period. If your battery fails due to a defect during the Free Replacement Period, you may obtain a free replacement battery. Any replacement battery you obtain under this Limited Warranty must be identical or reasonably equivalent to your original battery. **You will still need to pay any taxes and legislatively imposed fees on your replacement battery, and you may also need to pay labor and installation charges.**

What You Must Do

To obtain a replacement battery, you must present your original battery to an Authorized Dealer that has an appropriate replacement battery in stock. That dealer will have a reasonable time to test your original battery and, if defective, replace it according to the terms of this limited warranty. To find an Authorized Dealer call 1.888.772.3600.

Your Limited Warranty begins on your date of purchase and extends for the number of months shown on the Chart below. You may establish your date of purchase by presenting the receipt for the purchase of your original battery.
